

Follow the Power® FTTx Terminology for Power Utilities and Co-ops

AFL knows power and fiber optic networks. We are the only U.S. manufacturer to offer a true Utility FTTx integrated solution of cable, hardware, and connectivity products. With proven experience, depend on AFL as your trusted advisor.

POWER NETWORK

FTTx NETWORK—SERVICE DROP ENABLED

Navigating FTTH and Power Networks

Electric utilities have relied on AFL for over 30 years. Our solutions improve the reliability of critical electrical and optical infrastructure used for the transmission and distribution of electricity. That same infrastructure also supports fiber-to-the-home (FTTH) networks for delivering new services to electric utility customers. Let AFL show you how.
