# Assessing your:
# GenAI maturity

**Q2**

**INSTITUTIONAL OPTIMIZATION**

**Behaviors**
- Setting banking industry standards in GenAI
- Building a strong internal and partner GenAI ecosystem
- Accelerating strategic plan with rapid innovation

**Mindset**
- Thought leader
- Expansive
- Innovative

**STRATEGIC OPERATIONALIZATION**

**Behaviors**
- GenAI is embedded into appropriate workflows
- Continued governance of AI tools
- GenAI is a strategic imperative for growth plans

**Mindset**
- Progressive
- Growth-orientated
- Results-orientated

**STRATEGIC INTEGRATION**

**Behaviors**
- Aligning AI initiatives with strategic plan
- Establishing ethical standards and governance frameworks
- Prioritizing workflows that will benefit from GenAI

**Mindset**
- Strategic
- Operational
- Prioritizing

**EARLY EXPERIMENTATION**

**Behaviors**
- Selecting a sample of simple workflows for pilot projects
- Exploring compliance requirements
- Identifying workflows that would benefit from GenAI

**Mindset**
- Experimental
- Evaluative
- Critical

**EARLY EXPLORATION**

**Behaviors**
- Exploring the potential of GenAI in the banking industry
- Exploring specific use cases for banking
- Understanding the breadth of technologies available

**Mindset**
- Curious
- Open
- Cautious
