

Scale Your Lending Operations With Ease

Streamline Workflows, Increase Profits, and Enjoy a Hassle-Free Lending Experience

You need lending solutions that drive strategic growth—scalable, flexible, easy-to-implement, cost-effective technology.

Q2 Digital Lending automates and revolutionises your lending capabilities, empowering you to close and fund loans seamlessly while driving revenue and streamlining operating processes.

Scale the right way at the right time

Our cloud-based approach offers flexible and scalable solutions that can grow and adapt with your needs, including:

Q2 Origination

A unified, highly configurable module that enables financial institutions to accelerate and manage all your loan products in one place.

Q2 Loan Servicing

A complete servicing application that automates loan billing, payments, collections, and accounting within one robust, flexible, and secure platform.

Benefits

- Eliminate manual errors through automated and streamlined workflows
- Accelerate revenue growth by simplifying the buying cycle and closing more deals in less time
- Improve efficiencies and scalability by handling higher application volumes without adding staff or compromising lending standards by enabling borrowers to create self-service loan requests
- Build better borrower experiences by engaging more deeply with your customers at each stage of the lending process

Features

- Cloud-based, digital, end-to-end loan origination and loan servicing
 - Branded portal for self-service
 - Workflow management for efficiency, compliance, and automation
 - Document management for centralized access and document clarity
 - Collection capabilities for automated collections and revenue maximization
 - Marketplace services for peer-to-peer funding
- Configurable solution helping you to rapidly scale your business
- Ability to create market-leading, best-in-class experiences for your customers and staff
- Quick, hassle-free implementations: Our fastest turnaround for a greenfield implementation was eight weeks, from zero to live
- A cost-effective, innovative, and flexible partner

Markets Served:

- Consumer Lending
- Commercial Lending
- Auto
- Asset Finance
- Buy Now Pay Later
- Peer-to-Peer Lending

Choosing to work with Q2 was the right move for us.

We faced a short time to market because the most needed loan functionalities were available within the Q2 Lending modules.

– Emiel Schoonderwoerd, Product Owner ABN-AMRO
